

Join the WPIW photo contest 2018, colour code: blue & green!

What does the World PI Week mean to you and how are you celebrating the campaign? Let us know in colours!

Submit your WPIW picture featuring the colours of the campaign (blue/green) between the 22nd and 29th of April, via Facebook, Twitter or Instagram using #PictureAwareness, to get a chance of winning!

Successful pictures will be featured in upcoming campaign materials...

WORLD PI WEEK

World PI Week World PI Week is a global campaign which aims to drive awareness, inform and increase understanding of primary immunodeficiencies (PI) and improve diagnosis and treatment.

TEST DIAGNOSE TREAT
